Phone - 631.841.5555

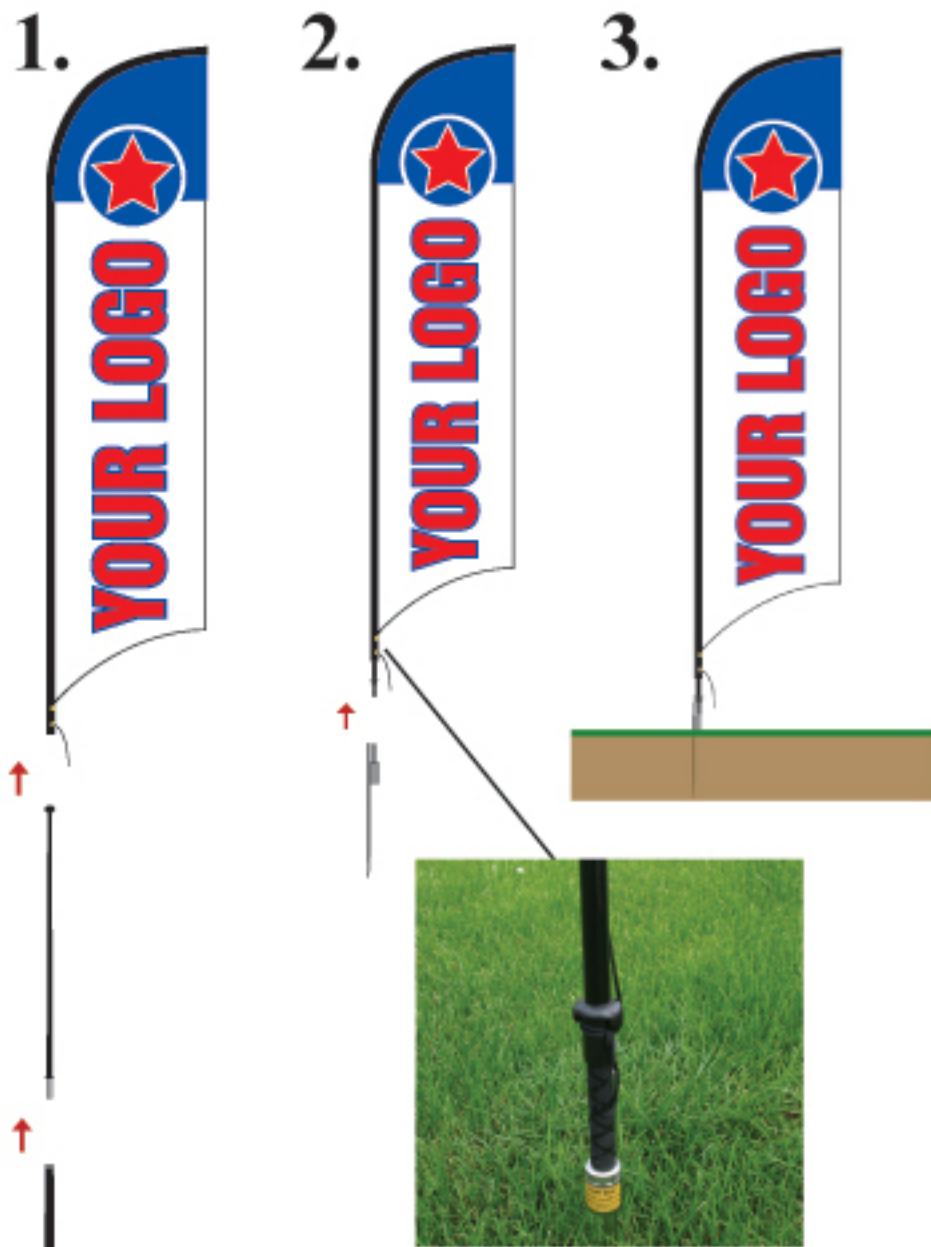

www.IslandVisuals.com

www.On-Qu.com

PACKAGE INCLUDES

- 1 Feather Flag
- Fiber Glass Poles Sections
- Metal Stake With Bearing

Optional Installation in CONCRETE/PAVEMENT

Drill a 3/4" hole & insert base

Fast and Easy Set-Up

1. Connect the 3 Fiber Glass poles at joints.
2. Insert Fiber Glass pole into pole pocket.
3. Tie black string on the flag to the black pole.
4. Insert metal stake into the ground. (Dirt or Concrete)
5. Stake can be forced in by hand.
(See below if using a hammer)
5. Place assembled flag onto bearing part of base.
6. Flag should spin 360°

ATTENTION!!

**DO NOT HIT THE BASE
WITH A HAMMER AT ALL.
The Base Will Be Damaged
If Struck With Hammer**

You can make a hole using a long screw driver or awl.
You can also check www.IslandVisuals.com
for alternate base instructions.

CAUTION

Not Made To Withstand
High Wind Conditions
